Unicorn

ABOUT THE PATTERN

This unicorn was one of the very first patterns I have ever made! Finally, after 5 years, I am turning it into a PDF pattern after my tumblr got deleted (only recovered the name, nothing else).

ABOUT THE AUTHOR

Shannen is the owner and designer behind Sweet N' Cute Creations. Just recently, she released her very first book, Huggable Amigurumi, which features 18 adorably cute animals. She has been featured in other books such as Zoomigurumi 2 and Animals-At-Work, in Inside Crochet Magazine, Mollie Makes, and We Love Amigurumi.

To order her book, head on over to bit.ly/huggableamigurumi or head on over to your local bookstores or craftstores.
